Event summary

In view of the celebration of world environment day June 5, 2023, the department of Civil Engineering in association with ASCE students chapter and NSS took an initiative to plant samplings at Vattur region of Tiruchengode, Namakkal. The national highways department authorities Er.Rajendhiran Assistant Engineer, Mrs.Sudha Assistant Engineer and other officials supported and assisted us in planting the samplings. The idea on sampling plantation is highly welcomed by the native people of vattur and this activity created an awareness of importance of environmental conservation. More than 40 numbers of mahagony tree samplings were planted and the pictures captured during the activity is given below
